

Notice to Our Clients

It is the intent of Fearless Dance Company, Inc. owner and staff to do everything we can to protect you, our students, and our community as we navigate through our “new normal”. To this extent, we will be following the Center of Disease Control (CDC) and local health department guidelines with regard to social distancing practices and sanitation in order to reduce the spread of Novel Coronavirus, (COVID-19).

With that in mind, our staff is now implementing contactless temperature checks for staff and students that will be required PRIOR to entering the classroom. Students will be checked one by one outside of the dance classroom by Fearless Dance Personnel. Parents are asked to drop off dancer at the door OUTSIDE of the classroom and ensure student has been cleared prior to leaving the premises. PARENTS WILL NOT BE ALLOWED IN THE DANCE CLASSROOMS WHATSOEVER UNTIL FURTHER NOTICE! Staff and/or students who are identified with a temperature 99 degrees and above will NOT be admitted to class and will be asked to leave immediately to ensure the safety of others. Additionally, students with any symptoms such as cold/cough, severe allergies, etc should **NOT** attend dance classes at this time and will not be admitted into the dance areas. Please find below a brief summary of the dance entry procedure:

1. Students will be escorted to the outside door of the classroom by parent or guardian and greeted by Fearless Dance Personnel.
2. Students will be placed approximately 6 ft apart while waiting for temperature check.

3. Student will be given hand sanitizer or alcohol rub upon building entry and exit.
4. Student will have temperature check conducted by Fearless Dance personnel. Temperature will be documented on Covid-19 Fearless Dance Student Form (see below for waiver and temperature log).
5. While inside classrooms, students will be required to maintain an approximate distance of 6ft from each other and staff/teacher.
6. Parents will pick up students AT THE DOOR of the dance classroom at the end of class.

As noted above, we will try our best to maintain six (6) feet of distance between ourselves and students, as much as possible in our dance classroom setting. For now, we will not have “hands-on” training between teacher and student which eliminates physical contact for dance related corrections.

All tools, stations and equipment will be sanitized and/or disinfected between each class. Staff will follow proper hand washing protocols between each class.

Fearless Dance Company, Inc. recommends that *all* individuals utilize approved masks, either surgical masks or improvised masks such as scarves, bandannas, and handkerchiefs to reduce the risk of exposure to yourself and others. While masks are not required for dance instruction, the decision is solely up to the dancer and family to wear masks and gloves during classes. It is **required** that everyone either washes or sanitizes their hands upon arrival & entry to class and after using the restroom.

If we all work together, we can overcome the spread of this virus as well as other infectious diseases. We are so READY to welcome you back FEARLESS FAMILY!!!

By filling out the form below and submitting, you agree to comply with the written instructions above and agree that you are attending all dance classes and related events at your own risk, releasing Fearless Dance Company, Inc. its owner, staff, facilities and partners from any liability relating to COVID-19. Failure to comply with these written instructions or verbal instructions from staff may result in your removal from the premises and refusal of services.
